Goodbye

We will be very sad to say goodbye to two long standing staff at the end of this term.

Mr Mather will be retiring from his Teaching Assistant and Midday Supervisor roles in July. He has been helping at the school as a volunteer and then a member of staff for over 16 years. I know you will all want to join me in thanking him for all the support he has given to the school and so many children over this time. We all wish him well in his retirement.

Mrs Cann has also decided to retire from her role as Senior Midday Supervisor, a role she has been doing for 21 years. She will be continuing as caretaker for us.

Changes to the Pavilion Car Park

As many of you are aware there are a number of developments happening in the village. As part of one of them the car park opposite the school is to be extended to accommodate over 60 car parking spaces. The work on this project will be taking place over the summer. We have been informed that the initial work of felling some trees and moving the play equipment is likely to begin this week. This may have an impact on parking spaces and safety around the area. I would ask you to be vigilant and supervise your children carefully when in that area. Please also be considerate in parking around the school, especially on Friday evening for the Summer Fair. If you are able to walk to the Fair or park a bit further away that will be helpful. It will also promote good relationships with our close neighbours.
