

We have a busy term ahead!

We will be learning about **Saxons and Vikings** within our History and Geography lessons. Get researching and collecting some resources to improve your knowledge in this area!

During our Science work we will be investigating **Sound** and **Living Things and Their Habitats**.

We will be studying **Imaginary Worlds, Roald Dahl, Adventure, Persuasive Writing** and **Poetry** to develop our literacy and SPAG. A range of mathematical concepts will be covered to improve our skills even further. Keep working on knowing all your table facts up to **12 x 12!** (Remember division facts too!)
