

Year 4 Summer Term

We are planning another busy and fulfilling term.

We will be learning about [The Amazon and The Rainforests](#) within our Geography and literacy lessons. Get researching and collecting some resources to improve your knowledge in this area!

During our Science work we will be investigating [Sound, Electricity, Teeth and Eating!](#)

We will also include some fantastic conservation work around our school pond area and habitats.

We will be studying [descriptive writing, non-chronological reports and instructions](#) to develop our literacy. Our [SPAG-tastic](#) lessons will continue too! A range of mathematical concepts will be covered to improve our skills even further, focussing particularly on [decimal numbers, statistics and geometry](#). Keep working on knowing all your [multiplication and division facts up to 12 x 12](#) for our weekly Maths Olympics challenge!

Finally, we will be continuing to learn about religious practices, making delicious food in technology (with an exciting visit to Pizza Express), developing our Computing and Music skills, whilst also improving our Spanish vocabulary and PE talents!

[Class 4 will certainly need lots of energy this term!](#)

Reminders:

- Please have PE kits in all week. They will be sent home on a Friday
- Learning Logs are to be brought in each Monday.
- Reading and Library Books will be changed on a Monday.
- A weekly spelling test will take place on Mondays.
- Please make sure your child's trainers are kept in school for our daily run

Mrs Lockley, Mrs Axon, Miss Garner (soon to be Mrs Delf!) and Mrs Florance
