

## Year 4 Summer Term

We are planning another busy and fulfilling term.

In our History lessons we will be learning about the **Anglo Saxon Invaders**. Get researching and collecting some resources to improve your knowledge in this area!

During our Science work we will be investigating **Living Things and Their Habitats** (enriched through our class trip to How Hill) and **Changes of State**.

We will be studying **persuasive and fantasy writing** to develop our literacy skills. Our **SPAG**-tastic lessons will continue too!

The following mathematical concepts will be covered this term; **decimals, money, time, geometry and statistics**. Keep working on knowing all your **multiplication and division facts up to 12 x 12** to become a Times Tables Rockstar. Certificates will be awarded in assembly for those who reach Rock Hero status!

In PE we will be learning how to play **rounders** and **hockey** and we will be developing our **athletics** skills too.

Finally, we will be continuing to learn about religious practices, being inspired by artists with a focus on **printing**, developing our computing and music skills, whilst also improving our French vocabulary.

**What an action packed final term Class 4 have in store!**

### **Reminders:**

- Please have PE kits in all week. They will be sent home on a Friday
- Learning Logs are to be brought in each Monday.
- Reading and Library Books will be changed on a Monday.
- A weekly spelling test will take place on Mondays.
- Please make sure your child's trainers are kept in school for our daily run
