

**Stoke Holy Cross Primary School**

**Moving up into Class 1**

**September 2020**

I have been in Foundation for nearly a year and soon it will be time for me, my friends and class mates to move up into Class 1.

Mrs Gorman will be the Class Teacher.

You will also have Teaching Assistants to help you in the class.

## When I arrive at School in September.

When I arrive at school, I will walk through the gate and meet with my friends at the front of the school.

When the bell is rung, I will line-up with my class and make my way into school via the blue door.

I will then hang my coat, bag and place my lunch box in the cloakroom where I'll find my name.

To begin with, you won't know where the equipment is kept, please raise your hand and ask if you need something. Some children may be worried that the work is going to be too difficult; the teachers will choose work that is interesting and achievable to all.

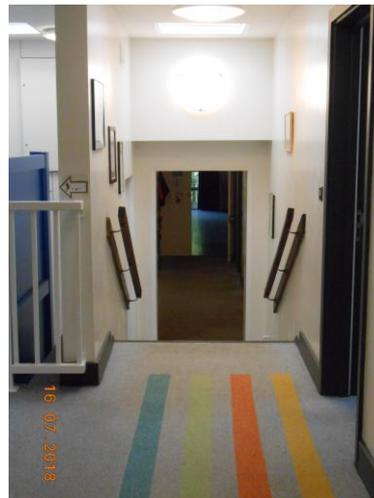

First thing in the morning, the teacher will take the register and then ask you what type of lunch you're having.

The menu will be the same as in Foundation (meat/vegetarian/jacket potato) or if you wish, can bring in your own packed lunch from home.

If you need the toilet during the day, the toilets are no longer to be found in the classroom. The girls' toilets can be found in the KS1 corridor and the boys toilets can be found near the hall.

Lunchtime - Classes finish at 12:15, you will then be given your meal token. You'll make your way straight to the hall, where the Midday Supervisors will direct you and your friends to a table, so that you can eat your lunch. Once you have finished, you'll go outside to play until the bell rings at 1.15pm. The whole school will line-up quickly and quietly in class order and then you'll walk back into class ready for the afternoon lessons.
